

Privacy Notice

Effective Date:2025.09.08

Welcome!

Protecting users' privacy is crucial to our future business. [开发者名称] (“we”, “us”, or “our”) has created this Privacy Notice (“Notice”) to demonstrate our firm commitment to our users right to data protection and privacy. It outlines how we handle information that can directly or indirectly identify an individual (“personal data”) when you access or use the MediaKit: Convert & Clean (“App” or “Services”).

● How to contact us

If you have a question about this Notice or our handling of your personal data, or if you wish to execute your data subject rights, you may contact us by sending an email to [邮箱].

● Personal data collected and processed by us

In general, we may collect and process personal data listed below:

1. your name and email address.
2. IP addresses.
3. device information includes device types and settings, device identifiers (such as IDFA, IDFV for Android, GAID for IOS), browser types, mobile, wireless, operating system versions, another network information (such as internet service provider name, carrier name and signal strength), and application version numbers.
4. activity Information directly related to your use of the App, includes contact list and or photos.
5. usage data includes the pages of our App you visit, the time and date of your visit, the time spent on those pages, unique device identifiers another diagnostic data.

● Purposes for processing personal data

We process personal data to:

1. perform essential business operations and provide our Services.

2. communications, managing and supporting our user relationship.
3. user surveys and service improvements.
4. security analytics.
5. comply with our legal obligations, where applicable, or to resolve disputes and to protect or enforce our rights or claims.

● **Recipients of personal data**

Personal data processed by us will be shared, transferred, and disclosed to other authorized entities to the extent required:

1. third-party vendors providing services to us, business partners, or agents working on our behalf for the purposes described in this Notice.
2. entities or employees within our group to support necessary business operations.
3. law enforcement or applicable government.

● **Safeguards**

We maintain administrative, technical, organizational, and physical measures designed — taking into account the nature of the data and the processing and the potential for impact to the rights and freedoms of users whose data is being processed — to protect personal data in accordance with this Notice and applicable laws against loss, and unauthorized access, use, alteration, and disclosure. Such measures include, by way of example, encryption in transit, two-factor authentication, and strict access controls.

● **Retention**

We store your personal data only for as long as it is required to make Services requested by you and other purposes described in this Notice. We will retain your personal data until the end of the relevant retention period or until the claims in question have been settled.

● **Children's data**

We do not knowingly collect personal data directly from children and minors under the age of 13 years old. Our services are not intended for children and minors and children and minors should not submit or post personal data through

our App.

- **Your rights**

You may have the right to request access to and correction or erasure of personal data or restriction of processing concerning the data subject and to object to processing as well as the right to data portability or other rights as provided by applicable law. You also have the right to withdraw any consent that you may have given for the processing of personal data. You may have additional rights pursuant to your local law applicable to the processing.

- **Links to third-party sites and apps**

Third-party sites and apps operated by third-party providers will be linked to from our App. If you access or use those sites and apps, they may collect or process your personal data. We do not control these third-party sites and apps and are not responsible for their data and services practices. Please view the applicable privacy policy and terms of services to better understand their data collection and services practices and choices they make available to you.
